

# **RULE 311**

## **Permit Application Review Fee**

### **(Certificate of Occupancy Fee)**

#### **GENERAL DESCRIPTION**

This rule requires a fee pursuant to California Government Code Section 65850.2 to be charged to applicants for a final certificate of occupancy to review the project to determine that the applicable portions of Regulation II - Permits have been met. This rule does not apply to applications for residential construction.

- A. For each applicant subject to this rule, the fee shall be \$100.00.
